

## Angel Eyes (A Wedding Song)

The kindest eyes I've ever seen  
The sweetest smile I've ever known  
Your love is never in between  
And as long as you're around  
I'll never want to be alone  
I can't believe I found you there  
A diamond, in the rough of life  
And now you're with me everywhere  
And I'm so glad to say  
That you're my wife

Angel eyes,  
Don't ever look away  
Cause I've never been as happy  
As I am with you today  
Here's a man,  
Who will love you 'til he dies  
It'll always be,  
You and me  
Angel eyes

All my life  
I've waited for this day  
I always knew the words,  
But the music wouldn't play  
And now it seems  
That everything I see  
Is glowing with the magic  
That your love brings to me

### CHORUS

All my life, I've waited for this day  
Angel eyes
